CF Mechanism

Concealed Fasteners and 28° Latch

Elegance by Design

Adopt a concealed fastener mechanism and a geared, limited rotation latch as an option for Emtek passage and privacy locksets. With more than 4,000 design combinations available, you'll be sure to find the perfect complement to your décor.

Easy Installation

Emtek's CF Mechanism is quick and easy to install. Ordering is also simple, no handing is required.

Lifetime Functionality

Emtek's innovative chassis design is spring loaded on both sides and comes standard with a 28° rotation latch. Operation is smooth and long term reliability is ensured. Every CF Mechanism is backed by Emtek's CF Mechanism Lifetime Limited Mechanical Warranty.
